

## **Invitation letter from 2019 Block Plus Summit – Future of Fintech**

Dear Ankitt Gaur,

This letter is to formally invite you as a speaker at our 2019 Block Plus Summit - Future of Fintech on September 15, 2019 at Novotel Saigon - D1 Ho Chi Minh city in Vietnam.

2019 Block Plus Summit Series III – Future of Fintech is hosted by BitMart, which is a premier global digital asset trading platform. During the past events of Block Plus Summit I & II in Shanghai and New York City, approximately 200 experienced professionals to connect with the general public, including 16 regulators in the industry of financial services and technology, 12 professors from many prestigious universities, 80 venture capitalists and angel investors, 50 ICO projects founders worldwide, 22 consultants, and 60 media partners were gathered and created millions of commercial opportunities in Fintech industry.

At 2019 Block Plus Summit – Future of Fintech, it would be fruitful to catch up the latest trend and discuss current

development in the capital markets and emerging industries that uses technology to improve efficiency in finance.

This year, I sincerely invite you as a speaker for this exciting event, 2019 Block Plus Summit – Future of Fintech. We plan to talk about but not limited on financial trends, new tech, policies, regulations with leaders in finance, technology, academia and chamber of commerce.
