SeaBridge Fintech

8 wright St, westport, CT

Dear Jonathan Xu ,

We are excited to provide an offer to you for Data Analyst internship position. This position is scheduled to begin July 1st 2021 and will be a two and half month unpaid internship opportunity ending on September 15th 2021. In this role, you will report directly to Emily Wu. You will work 20 hours per week remotely.

Internship Responsibilities: Your responsibilities will include the following :

- Work with teams to analyze various data sets related to equity investments.
- Build, clean, and transform various data sets.
- Build and analyze factor models related to an equity investment strategy.
- Develop trading algorithms independently
- Work with teams to troubleshoot and fix issues.
- Perform other duties as requested by management.

Please review this letter in full, and sign and return it via email to infor@seabridgefintech.com to confirm your acceptance of the position as soon as possible. We look forward to having you begin your career at SeaBridge Fintech and wish you a successful internship.

Welcome to our team ! If you have any questions, please feel free to contact me.
